About Us

Established in 1995 and based in Karachi, Kohinoor Mill Store is a trusted name in Pakistan for premium V-Belts and power transmission solutions. With over two decades of experience, we proudly serve industrial, agricultural, and commercial clients nationwide, delivering high-quality products sourced from leading Chinese and international brands.

Our expertise lies in supplying a wide range of durable and reliable V-Belts tailored to meet the demands of Pakistan's diverse industrial landscape. Whether you're a distributor, retailer, or corporate client, we provide efficient, customer-focused solutions that ensure long-term performance and value.

At Kohinoor Mill Store, we go beyond product delivery — we build lasting partnerships grounded in trust, quality, and service.

Company Description

WHAT WE DO

We specialize in sourcing high-performance V-Belts from trusted Chinese and global manufacturers. Our wide product range ensures compatibility with diverse machinery and industrial requirements.

WHO WE SERVE

From local retailers to nationwide distributors and corporate clients, we provide reliable solutions tailored to the unique needs of every customer, ensuring efficiency and long-term performance.

WHAT SETS US APART

Our commitment to quality, fast delivery, and customer satisfaction makes us a trusted name in the industry. We don't just sell belts – we deliver reliability, every time.

LOOKING AHEAD

As Pakistan's industries grow, Kohinoor Mill Store continues to evolve – bringing smarter, stronger solutions that power progress and build lasting partnerships.

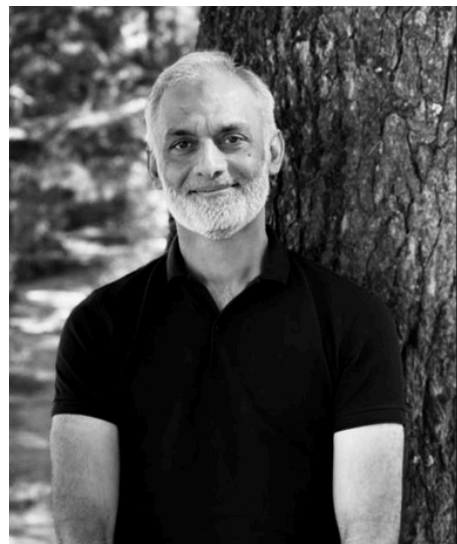

FROM THE CEO

At Kohinoor Mill Store, we power more than machines, we power trust, performance, and long-term reliability.

In every belt we supply, there's a promise: unmatched quality, consistent delivery, and service that stands apart. We're not just keeping up - we're leading. And we're here to drive Pakistan's industries forward, one belt at a time.

Meet the Team

Adeena Irfan
Creative Director

Dear Valued Clients,

In a world of shifting needs and evolving industries, our role as a supplier is not just to deliver products, but to deliver trust, consistency, and clarity. As Creative Director, I aim to reflect these values in how we present ourselves and communicate our offerings.

Every detail — from our product curation to our visual identity, is crafted to reflect our commitment to quality, professionalism, and reliability. Our goal is to make your sourcing experience smoother, smarter, and stronger.

Thank you for choosing us as your trusted partner

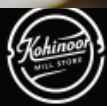

Zayyan Munir
Marketing Manager

Dear Partners and Clients,

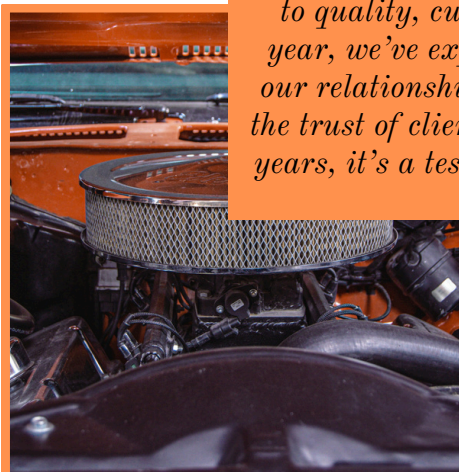

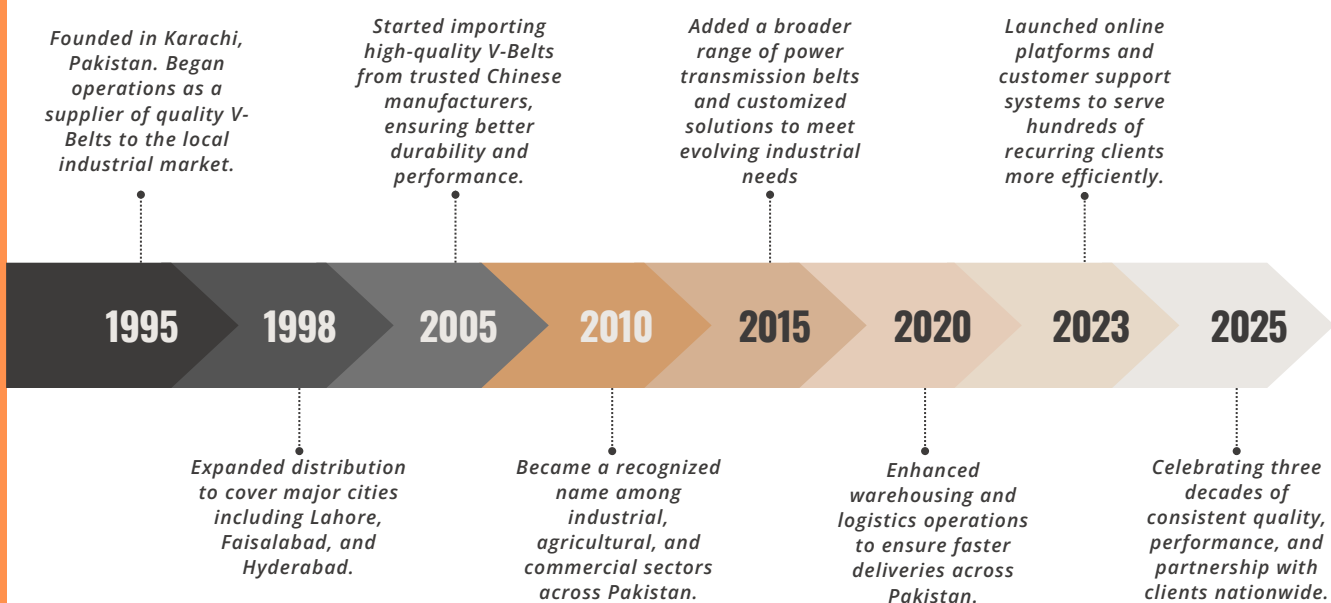

At the heart of our marketing efforts lies one clear mission: to bridge the gap between your needs and the reliable solutions we supply. As Marketing Manager, I ensure that our message is simple: we are here to deliver quality, efficiency, and consistency in every interaction.

From product awareness to customer support, every campaign is designed with your convenience and confidence in mind. We don't just promote products; we promote long-term trust and relationships.

We look forward to growing together.

Marketing Strategy

At Kohinoor Mill Store, our marketing strategy is built on trust, visibility, and industry-focused engagement. We aim to strengthen our brand and expand our reach through the following approaches:

1. STRONG B2B RELATIONSHIPS

Building long-term partnerships with retailers, distributors, and industrial clients across Pakistan.

2. REFERRALS AND WORD-OF-MOUTH

Leveraging decades of trust and client satisfaction to drive organic growth.

3. DIGITAL PRESENCE

Enhancing visibility through a professional website, social media engagement, and online platforms.

4. TRADE SHOWS & INDUSTRIAL EXHIBITIONS

Participating in relevant events to showcase our products, meet clients, and stay connected to market trends.

5. CLIENT RETENTION PROGRAMS

Prioritizing repeat customers through consistent service, quality assurance, and responsive support.

6. LOCAL NETWORKING

Building a solid presence in regional markets through vendor visits, industrial area outreach, and client follow-ups.
